About us

Cardiff Logistics W.L.L

Cardiff Logistics W.L.L was established in UAE in 2010 with the prime objective of providing a first class freight contracting service to the Construction, Oil & Gas, Marine, Petrochemical, FMCG, Consumer Durables, Perishables & Food Stuffs industries. Our service ethos is to be a truly flexible local agent whilst simultaneously being a serious global player. This unique combination allows Cardiff to offer the above mentioned sectors a freight forwarding service second to none.

Established in 2012, Cardiff Logistics WLL (Qatar) has quickly become a premium service provider with a diverse and loyal customer base. The company offers an extensive trailer services, warehousing, storage & logistics facilities, packing & relocation facilities in Doha, and has permanent presence at all major sea, air ports and overland customs ports.

As the middle-east industry sectors have pushed their boundaries and sought innovation from their supply chains, Cardiff has been both pro-active and reactive to the needs of our core market. Today we offer an enviable range of services that meet and exceed our client's service expectations.

Vision _____■

To be the specialist providers for our respective services and products rendered to our customers.

Mission _____■
